Personal Fitness and Health are state required courses for ninth grade students in the Buford City School System. These courses will be offered to incoming ninth grade students during summer school. Personal Fitness will be offered during the morning session (8:00-11:00 am) and will include a combination of online assignments, completion of home fitness activities, and participation in fitness activities at the school. The Health class will be offered during the afternoon session (11:30 am-2:30 pm) and will consist of a combination of online assignments and classroom instruction at the school. Students interested in enrolling in these summer school courses must complete the pre-enrollment process described as follows by Thursday, May 16.

The cost for the courses is listed below. Payment can be made by cash, check (made out to Buford High School), or through MyPaymentsPlus (starting March 4). If paying by cash or check, please complete and return this form (with payment) to the front office of BHS by 3:00 pm on Thursday, May 16. If paying by MyPaymentsPlus, please complete and return this form (with confirmation of payment) to the front office of BHS by 3:00 pm on Thursday, May 16.

Attendance in summer school is mandatory. Students who miss more than 1 day of class will be dropped from the class, without a refund. Three tardies to class will equal one absence, so it is important that students are on time to class. Students must be in dress code (as detailed on the syllabus that will be made available during the Orientation Meeting) in summer school. Students not in dress code will be sent home, which will count as one absence.
